

## **AGREEMENT LETTER FOR NOMINATION TO AfroPHC EXECUTIVE BOARD**

My name is Cecilia Ndungu, female, 31 years old from Kenya. My profession is nursing, currently working as a Liaison officer at Kenya Healthcare Professionals Call Center and also a practicing nurse-midwife. Previously worked as the National programs officer at National Nurses Association of Kenya.

I would like to be nominated to the Executive board of AfroPHC. Currently I am the country representative for African Nurses and Midwives Network, an initiative to serve as a moderator to International nursing bodies seeking to collaborate with nurses, midwives and other nursing parastatals in African countries.

I also served as a youth representative in stakeholders meeting for the implementation of Universal Health Care Coverage in Kenya in 2018. This was carried out as a pilot study in 4 counties.

This year, **2021 WHO** designated as the International **Year of Health and Care Workers** in appreciation and gratitude for their unwavering dedication in the fight against the COVID-19 pandemic. Thus, I would be glad to be nominated and serve in the board.

Thank you.

Yours sincerely,  
Cecilia Ndungu
